# D.A.V PUBLIC SCHOOL, SEC-7 ROHINI

Summer is here, oh what a delight,
Bright sunny mornings and warm days so
bright!

Time for cool drinks, mangoes so sweet, Splashing in water, can't be beat!

No more school bags, no morning race,

Just fun and laughter all over the place!

Trips to Grandma's, stories and fun,

Playing outdoors under the sun.

Ice creams melting, fans on high,
Paper boats when clouds fill the sky.
With games and joy, we shout hooray—
Summer vacation is here to stay!
Hello, Happy Holidays!

When April waves goodbye and May steps in, it brings

with it the much-awaited summer break - a time to relax,

recharge, and refresh!

Explore your surroundings
Spend quality time with loved ones
Play, read, and grow!

# Make the most of your holidays by doing things that bring you joy and help you grow as a kind, curious, and active learner.

# Here are some fun and fruitful ways to enjoy your summer:

# **Revise & Reflect:**

Go through all the topics and concepts you've learned so far. A little revision every day keeps your memory fresh!

# Reading is Rewarding:

Books open up magical worlds! Pick some storybooks in English and Hindi with the help of your parents and read them daily. Related fun activities have been included.

## Walk & Talk:

Take evening or morning walks with your family. Enjoy nature and spend time talking and laughing together—these are some of life's greatest treasures!

# Practice Good Habits:

Use polite words like Please, Sorry, Thank You, and Excuse Me. Be helpful and kind to everyone around you. Good manners make a big difference!

# New York Play & Stay Fit:

Go outside and play games like cricket, badminton, hide-and-seek, or kho-kho. This keeps your body strong and helps you make new friends too.

# Ride for Joy:

Go cycling in a safe space—it's great fun and good exercise!

# **© Care & Share:**

Spend time with your grandparents and help your elders. Show kindness to your neighbours and younger ones.

# **Be an Earth Hero:**

Save water, electricity, and paper. Keep your home and surroundings clean and green. Place water and food outside for birds and stray animals—your little acts of kindness matter!

# **8** Be Creative:

Draw, paint, craft, write poems or short stories—express your ideas and imagination freely!

# Discover Something New:

Try your hand at cooking with your parents, learn a new language word each day, of explore interesting facts about different places.

Wishing you a joyful, safe, and meaningful summer vacation! Let's return to school with new stories, new learnings, and a big smile!

# DAV PUBLIC SCHOOL SECTOR-7 ROHINI HOLIDAYS HOMEWORK CLASS III

# **War Against Sugar and Obesity**

Students will take a health pledge, track sugar intake, and choose healthy foods to prevent diabetes. During vacation, they'll monitor themselves and their family's sugar habits too!

# **ENGLISH**

1)- Learn story 'The Ostrich and Hedgehog' with proper actions, voice modulation for the <u>Story Narration Activity</u> after vacation. \* (Roll No 1- 20) Prepare a mask /puppet/ prop of Ostrich and learn dialogues of Ostrich \* (Roll No 21- 40) Prepare a mask /puppet/ prop of Hedgehog and learn dialogues of Hedgehog \*(R. No 41 onwards) will learn the dialogues of the Narrator.

## Story- Ostrich and Hedgehog

Hedgehog:La la la la...Good morning! It's a lovely day. Isn't it.

Ostrich: I don't talk to stumpy legged creatures like you.

Hedgehog: (sad) But why? I am really fast. I bet I can outrun you.

Ostrich: Ha, no one is faster than me. Have you seen my long legs.

Hedgehog: Let us have a race. Shall we?

Ostrich: Let us have it. Now, right now.

Hedgehog: let me grab a bite. I cannot run empty stomach.

Ostrich: Let us meet at midday for race in barley field.

Hedgehog: OK

Narrator::Ostrich goes home, confident that he will win the race. Hedgehog goes home and calls his father, mother, brothers, sisters, and aunts. and they all plan a trick to win. Hedgehog positioned one hedgehog each on the beginning and end of the row of tall barley plants in the field later at the starting line in the barley field.

Ostrich: Ready to lose?

Hedgehog;:huh?Not a chance On your mark, Get set go....

Narrator: The race begins

Ostrich:: Zoom I can take long strides and cross this barley field.

Here I go. I'm winning.

Hedgehog: for how long?

Narrator::the end of first row

Hedgehog::surprised! I am here before you

Ostrich::What? How?.

Narrator: Race continues, with hedgehog's family members carefully positioned along the roads.

Ostrich: But this is impossible.

Hedgehog:: Looks like I am faster after all.

Ostrich: But how?

Hedgehog:(giggling) It's a hedgehog secret!

Narrator: At the end of the race,

Ostrich: I can't believe I lost to a hedgehog.

Hedgehog:Better luck next time buddy

Narrator: And that's how hedgehog outsmarted the ostrich and taught him a lesson.

2) Make a bouquet of flowers (Roll no. 1-20) / smiling sun (Roll no. 21-42)

Write 5-6 synonyms (similar words) of at least 8 words choose any 8 words from the given list of words given in the box.

Quick, sad, happy, beautiful, tired, tasty, nice, rich, angry, amazing, ask, big, brave, calm, delicious, enjoy, famous, fat, fear, good, hurry, important, interesting, lazy, little, move, neat, place, quiet, scared, slow, strange, trouble, ugly, wrong.

#### HINDI

- 1.कविता चींटी ने पाठ पढ़ाया मौखिक परीक्षा के लिए याद कीजिए ।(पृष्ठ13 14)
- 2.भाषा माध्री प्स्तक में पृष्ठ 12 के आधार पर कोई दो संदर व आकर्षक म्खौटे बनाइए।
- 3.भाषा माधुरी पुस्तक पृष्ठ 32 के आधार पर पिस्ता बादाम या अखरोट के छिलकों द्वारा कोई एक सुंदर व आकर्षक डिजाइन बनाइए। (A4 साइज़ शीट)

#### MATHS

- 1) Roll a dice and note the digits each time. (Numbers which appear on the dice)
- A) Make 5 numbers of 4 digits. Use these 5 numbers
- B) To write expanded form
- C) Write number names
- D) Arrange the numbers in ascending and descending order.
- E) Draw a picture of dice.
- 2) My Multiplication Book

Take 5 A-4 size sheets and make a small notebook with it. Write tables 2 to 10 in the notebook. Decorate the cover page creatively.

3) Multiplication Flower Activity [

Write your birth date.

(If it's a two-digit number, add the digits together to make a single digit.)

Example:  $23 \to 2 + 3 = 5$ 

Now, refer to the picture provided and create a multiplication flower using coloured sheets. The center of the flower will have the digit (your final number).

The petals will display the multiplication table of that number (e.g.,  $5 \times 1$ ,  $5 \times 2$ , etc.).

Be creative and colourful! Let your flower bloom with numbers!

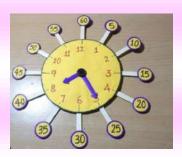

4) Create a Shape Man (On A4 size sheet) by cutting out shapes. (triangle body, rectangle arms etc.)

5) My Day Clock -

Make a 2D model of clock and mark key events of 5 days of your vacation .(e.g. wake up ,play time, lunch time etc)

#### SCIENCE:

Think, Wonder, Create!

Each student is required to create one Text Card and two "I Wonder Why" Cards. Please refer to the sample shared with you for guidance (below the table). Do the following work according to your roll numbers as shared in the table below.

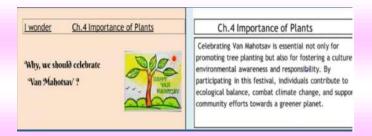

All cards must be made on A4-size sheets (you may use rule sheets if preferred).

The written content should be no more than 50 words per card.

Each card must be visually appealing, with colourful pictures to support the content.

Be creative and have fun while learning!

Lesson	I Wonder WHY Card	Text card
Leaf (Roll no.1-6)	<ol> <li>Who makes food for colored leaves plant?</li> <li>Why do leaves fall?</li> </ol>	Composting the leaves
Importance of plants (Roll no. 7-12)	<ol> <li>Why are plants called air purifiers?</li> <li>Why are plants important for bringing rain?</li> </ol>	Afforestation (also mention Van Mahotsava)
Animals (Rollno.13-18)	<ol> <li>Why do some animals live in burrows in desert?</li> <li>What do birds like duck and penguin use for swimming?</li> </ol>	Aquatic animals: how do they swim(refer to page 35 of text book)
Feeding habits of animals (Roll no.19-24)	<ol> <li>Why are teeth of cow and lion are different?</li> <li>How does camel eat?</li> </ol>	Chew the cud(refer to page number 43)
Birds and their nests (Roll no.25-30)	<ol> <li>Why are the bodies of birds light in weight?</li> <li>How do?</li> <li>Birds protect their young ones from harsh weather?</li> </ol>	Migration of birds(refer to page number 54)
Food( Roll no 31-36)	<ol> <li>Why are we asked to drink milk twice a day?</li> <li>Why do some people eat non vegetarian food?</li> </ol>	Relation between food and age(refer to page 63)
Cooking and eating habits (Roll no.37-40)	<ol> <li>Fried food is tasty but not healthy. Why?</li> <li>How are nutrients destroyed when we are cooking or washing food?</li> </ol>	Benefits of cooking (refer to page

#### SOCIAL SCIENCE

#### For All

\*Write name of states and their capitals on A4 sized sheet

\*Take out A3 size print out of political map of India and locate all states beautifully

Do according to your roll numbers:

Explore Google take out print out on A3 sized sheet of the pictures and the topics mentioned and get it laminated.

Roll number 1 to 6: Chart on evolution life of an early man

Roll number 7 to 12: Tools used by early man

Roll number 13 to 18:PLA cards on different types of houses (name at the back). Size should be appropriate

Roll number 19 to 24: Temporary house.

Roll number 25 to 32: Permanent house

Roll number 33 till 40 : At least 5 samples of fabrics pasted on different A4 size sheets name should be written.

#### COMPUTER

Riddle Time ....!!!

I have keys but no lock,

I can type as you talk.....Who am I?

Ans is KEYBOARD

exciting hands-on activity for you!

- 1. Create a model of a computer keyboard using cardboard and other waste or recyclable materials available at home (e.g., bottle caps, old buttons, paper pieces, etc.).
- 2. Your model should clearly show different types of keys, such as:

Alphabet keys (A–Z) Number keys (0–9) Function keys (F1–F12) Special keys (Enter, Spacebar, Shift, Ctrl, etc.)

- 3. Label the keys neatly to show what each one represents.
- 4. Be as creative and neat as possible. You may use colors or decorations to make your model attractive.
- 5. Bring your model to school after the holidays and be ready to explain the types of keys you have included.

#### Make one WORKING MODEL according to your roll number.

Make a model according to Roll No. allotted

Note - Make use of recycled material or any eco friendly material.

#### Dear Children,

As you know, after the vacation we will be organizing an exhibition where selected models and creative work will be displayed. You will also get a wonderful opportunity to present your exhibit.

We have allocated different models based on your roll numbers. You are required to prepare only one model as assigned.

Give it your best effort and let your creativity shine!

#### All the best!

English	Roll no
3D Mini Book Project - "My Favourite Story	Roll no1-3
Choose a story (from your textbook or any short moral story). Use a	
shoebox to create a 3D scene with clay/paper characters. Add speech	
bubbles or dialogues. Write the title and a 5-line summary.	
YouTube Guide: How to Make a Story Diorama	

2 .Word Garden – Vocabulary Enrichment Model	Roll no 4-6
Create a garden using thermocol/paper.Make paper flowers with one new	
English word on each. Write its meaning and a sentence.	
YouTube Guide:Word Garden Craft	
3. Articles Fill-in-the-Blanks Model	Roll no 7-9
Design a board with sentences missing articles. Provide	
movable cards with 'a', 'an', and 'the' for students to place	
correctly.

OR

https://youtu.be/GJkHumU7\_8Q?si=mNWN03h1jwRC77z1

R.no- 21 - 24

#### 7. Means of Transport

Objective: Identify land, water, and air transport.

Create a chart or 3D model showing roads, rivers, and sky with toy vehicles or hand-made

Link:

https://youtu.be/INcIjNFzUFg?si=Y1JCjzDBmXCMcpYJ

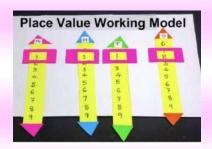

Science	
8. Make a "Mouth Model" using play dough or clay to show 4 types of eating habits: Cow (chews the cud), Lion (tears flesh), Rabbit	Roll no- 25-26
(gnaws), Snake (swallows whole)  Paste or attach matching pictures of animal	
Tuste of utituen matering pierures of unimar	
9. Make a "Food Plant Basket" using a real basket or craft one with paper. Inside, place labeled cutouts or samples (onion - stem, carrot - root,	Roll no- 27-28
rice - seed, spinach - leaf, tomato - fruit). Use chart paper tags to label plant parts.	
10.Aquatic life -Create a Diorama using cardboard and toy animals	Roll no- 29-30
https://youtube.com/shorts/I3BAUi0Qcvc?si=GkFMJVf4Y27u5Thk	
Nests of Birds: My Nature journal	Roll no- 31-32
Identify common birds found in our vicinity and note down their features in your journal. Make a bird by paper folding method. Learn to identify these birds by its sound	
https://youtu.be/dXaSL5L-RDM?si=kNDxaxCHCG9zPryx	
Maths	

# 11. Numbers up to 9999

Roll no- 33-35

Make a working model of Place Value Chart of 4-digit number.

 $\verb|https://youtube.com/shorts/St-1xX1tk3s?si=hk7iWGBfJVTSjfBO||$ 

## 12.3D "Shape City" Model

Roll no- 36-37

Make a mini city using 3D shapes like cube (box), cylinder (bottle), cone (paper cone), etc.Label each building with its shape.

Example: A tower Me!"

#### 13. Weight - "Balance Scale Craft"

Make a simple balance scale using a hanger, strings, and two cups.

Use it to compare the weight of small items (e.g., coins vs. erasers).

Write your observations: Which is heavier/lighter?

Roll No - 38 onwards

#### **ART- DIFFERENT STROKES**

Children pick up your drawing file, on the last page draw from the topics given below. These sheets will later be sent for competition (Fill the Form Too)

GROUP A( class 3)- The colorful balloon seller
My best birthday party
A day at the park.

GROUP B( Class4-5)- The floating city in the sky
My ideal study room
Celebrating an Indian festival
