

HAPPY SUMMER VACATION!

D.A.V PUBLIC SCHOOL, ROHINI

SUMMER HOLIDAY HOMEWORK 2025-26

LKG

Dear parents,

It's important to keep in mind that children won't necessarily remember the material things we give them, but rather the moments we share together. Summer break presents a perfect chance to bond with your child and aid in the development of their motor skills and focus. With this in consideration, our educators have crafted enjoyable worksheets for our young learners, encouraging them to review what they've learned while also engaging in activities that promote deeper understanding and critical thinking.

It is essential to channelize their energy with positive approach and in the right direction.

This will foster curiosity, develop creativity, enhance knowledge and instill the joy of learning among them.

Happy learning during the holidays...!

Guidelines for the Parents:

1. Acknowledge and celebrate your child's achievements, no matter how small, to bolster their self-assurance. Involve them in activities like solving puzzles, building with blocks, and creating patterns.
2. Motivate children to communicate in English by encouraging them to speak simple sentences and words. Provide opportunities for them to read age-appropriate storybooks.
3. Share at least two meals a day with your child and discuss the significance of food, highlighting the efforts of farmers in its production.
4. Foster healthy lifestyle choices by minimizing the consumption of junk food. Always validate and address a child's emotions without dismissing them.
5. Exercise caution with your language, refraining from using words that you wouldn't want the child to repeat.
6. Disregard behavior that is irrelevant or inconsequential.

General Instruction: -

The hard copies of all the work and activities must be compiled in the plastic folder .

Father' s Day

There's an eternal bond that a child shares with his father.

The way kids express their gratitude, love and affection towards their father is an important gesture. They feel this almost every day and by celebrating Father's Day they can convey these feelings in the purest form and expression.

To help the little ones express their love on Father's Day we have shared a link of a card. They can make the card and give it to their father on Father's Day. Follow the instructions make the card for your father.

Here is the link given below:-<https://youtu.be/nq5UA7iaDy0>

ENGLISH

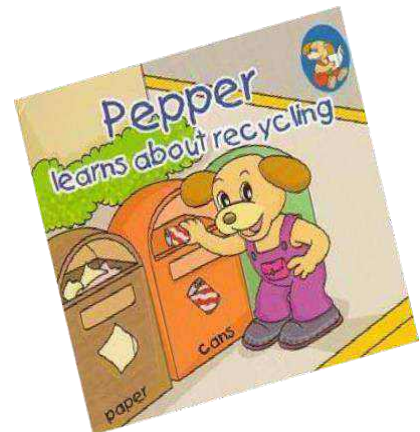

ENHANCE LISTENING SKILLS

Read a bed time story with your child daily. It will orient your child towards reading books and listening to facts. Apart from that it will bring your child's unique style of self-expression and develop creative communication. After reading or watching, ask questions like

“Did you like the Story?”, “Which was your favorites character?” etc.

Suggested Story Book Series:

- Pepper
 - Bruno
 - Bubbles
- Lady Bird(level-1)
 - Ramayana

ENHANCE SPEAKING SKILLS

Effective communication abilities are essential for shaping children's personalities holistically. Let's inspire them to engage in conversations in English, facilitating their familiarity with the language. Introduce new English words to expand their vocabulary. Encourage them to respond to inquiries using complete yet straightforward sentences.

Encourage the consistent use of polite expressions such as "sorry," "thank you," "excuse me," and "please" in various scenarios.

Do practice and recite the following rhymes daily:-
Red colour rhyme, Yellow colour rhyme, blue color rhyme

Use these sentences regularly:

Ask: "How are you?" Answer: "I'm good."

Say: "Thank you. "Say: "I'm thirsty. Can I have some water, please?"

Ask politely: "Please open/close my lunchbox/bottle."

Say: "I'm hungry. Can I have some food, please?"

Say: "I'm done with my work/food."

Ask: "Can I wash my hands, please?"

INTERNATIONAL YEAR OF CAMELIDS 2024

Let's make some cute camel crafts! Camels are special animals with long necks and humps on their backs. There are two kinds of camels: the ones with one hump called dromedary camels, and the ones with two humps called Bactrian camels. Dromedary camels live in hot deserts in Africa and Asia, while Bactrian camels prefer cold deserts in places like Mongolia and China.

So, let's draw a camel face on the A-4size sheet using your hand impression and glue cotton balls for the humps.
