

**DAV PUBLIC SCHOOL ROHINI *inaugurates"30 mins for Nature",
a Reading Initiative supported by
Wingify Foundation and Eco Roots Foundation.**

With an initiative that is one of its kind on the planet, Mount Abu School inaugurated "30 mins for Nature" by mounting the "The Book Nest" in the School Garden on **20th October 2022.**

The books for "The Book Nest" includes a diverse range of books together with collection of Paper back and Hardcover manuscripts from TERI and other reputed organizations working for the cause of environment.

The most exciting feature of this noble initiative is that the books will be changed regularly with the change of seasons to provide learners plethora of opportunity to ignite their imagination that will inspire ideas to change the world.
