

## EVALUATION PATTERN AIM & OBJECTIVES

Evaluation is an integral part of teaching learning process.

The objective of evaluation is continuous and comprehensive assessment of the growth and the development of the child in the various areas of learning as per the curriculum.

## SYSTEM OF EVALUATION

### PRE SCHOOL & PRE PRIMARY

The assessment of students is conducted throughout the year by means of

- Observation
- Interaction
- Specially designed worksheets.

It is child friendly and is in adherence to the DAVCMC guidelines.

### CLASS I & II

The evaluation process of class I and class II is according to the early education development program (EEDP) introduced by the DAV Education Board.

The program designed intends to help children **grow, learn and develop physically, socially, emotionally, morally and intellectually, thus leading to the holistic development of these students.**

Child is evaluated on the basis of his/her day to day performance.

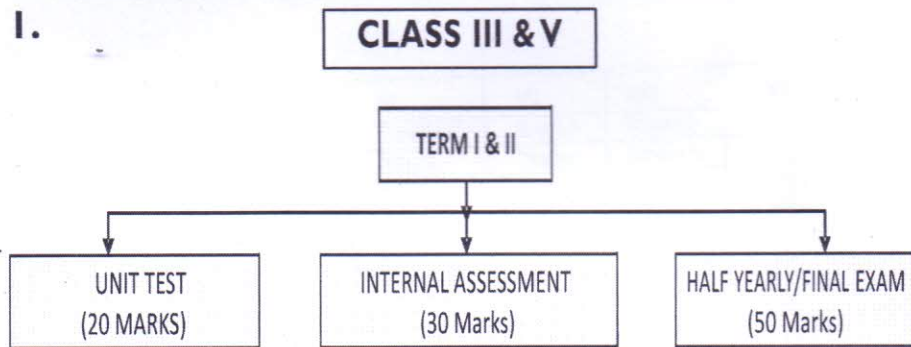

**Formal tests are not conducted.** To check the clarity of concepts, small assessments are held as class test/surprise test at the end of the particular chapter or at the end of particular concept.

**NOTE :** To motivate the students and to show their graph of improvement, we follow the following grading system:

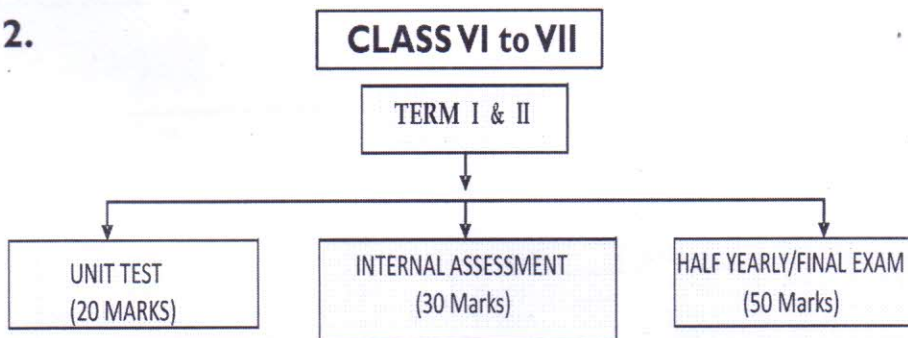

- A-Always
- S-Sometimes
- U-Usually
- N-Needs Improvement
