

# DAV PUBLIC SCHOOL, SEC-7, ROHINI

DAV Public School, Rohini had the proud privilege to host a Mega Career Fair in its premises on October 1, 2024 (Tuesday) . Honorable Principal of the school, Ms. Rajbir Kaur welcomed the participating universities with a hope that their interaction & guidance would help the students in making a right choice of career.

The fair was organised with an aim to provide the students a platform to explore a myriad of career avenues available to them in the present times.

**A total of 21 universities participated in it & among the prestigious ones included Chandigarh University, SRM University, University of Technology, Sydney, O. P. Jindal Global University, NIIT University, Bennett University, D. Y. Patil University, Pune etc.**

**Representatives from both National and International universities presented & introduced the courses available with them to the students through their impressive presentations. Pamphlets & brochures containing the admission criteria, procedure, fees structure etc. were distributed.**

**The students with their mentors enthusiastically participated in the event, gathering important & useful insight into the various career options available in different universities. The career fair was a great initiative taken by school in providing children not only with different career options available but more importantly in initiating a thought process in them in identifying their skills & the corresponding program available to them after school.**
