

DAV PUBLIC SCHOOL SECTOR-7 ROHINI

HOLIDAYS FUN SHEETS

CLASS IV

Summer O' Summer

You are almost here

It's time for sun

To have ice creams, shakes, buns

And then play and run.

Summer O' Summer

You are almost here

It's time for outings

Meeting friends,

Uncle and aunties

Getting a tan

Going for fishing

When play is no ban.

Summer O' Summer

You are almost here

Let us welcome you

With a big cheer

As the sun gets brighter

Drinks get colder

Clothes get lighter

Music gets louder

Nights become longer

And life become enjoyable

Hey Kids,

Have a Happy and Happening Break!

When April bids good bye and May knocks in, we start thinking of the relaxing summer vacation. It is the time to be utilized in learning new things, helping others, exercising, socializing, reading, playing, exploring new places and what ever our heart desires.

Few suggestions to utilize your holidays fruitfully.

- ❖ **Recapitulation** : Revise the concepts done till now.
- ❖ **Reading is fun** : Books are our best friends. We can find the whole world in them. With your parents buy few age appropriate Story books in English and Hindi and read them well. Related work is given also.
- ❖ **Walk together** : Go for walk with your family. You will realize that you have two of God's greatest gifts- Nature and Family. Spend time with them and care for them.
- ❖ **Cultivate good manners and habits** : Make ample use of magic words like Please, Sorry, Excuse me, Thank you. Help others. Be polite and enhance your personality.
- ❖ **Exercise and play out door games** : Play out door sports like badminton, cricket, kho kho, hide 'n' seek. This will help you to learn the rules of new game, socialize and will lead to physical development.
- ❖ **Go cycling, you will enjoy it.**
- ☐ **Care and Concern** : Spend time with
 - ☐ Your grandparents.
 - ☐ Help your elders, youngsters and neighbours.
 - ☐ Save precious resources of the earth - Water, Electricity, Paper etc.
 - ☐ Keep your surroundings clean and green.
 - ☐ To protect birds and street animals from scorching heat. Keep and refill the feeding bowls with water and food for them.

About me

Tell us about you and paste your beautiful picture.

मुझे जानो	MEET ME	Know me
मेरी उम्र		My name
मेरा जन्मदिन		My age
मेरा प्रिय खाना		My birthday
मेरा प्रिय रंग		My favourite food
मेरा प्रिय दोस्त		My best friend
मेरा प्रिय खेल		My favourite sport
मेरा प्रिय जानवर		My favourite animal
मेरा प्रिय पक्षी		My favourite bird
मेरा प्रिय फूल		My favourite flower
मेरा प्रिय फल		My favourite fruit
मेरी प्रिय सब्जी		My favourite vegetable
मेरी प्रिय किताब		My favourite book

Note : Fill it neatly and make a border around it. Paste it on A4 Sized sheet and it will be used as a first page of Portfolio file.

ENGLISH

- (R. No. 1 to 15)

Prepare a mouth-watering dish with your mother's help,prepare its Recipe-card as well. Paste your picture with the dish and paste it also.

- (R. No. 16 to 30)

MATHS

The only way to learn Mathematics is to DO Mathematics.

—Learn and write tables from 2 to 20 (2 times) in a separate notebook.

—Do practice of sums of Addition, Subtraction and Multiplication (at least 10 each)

—Do the work given below according to your Roll No.

~Roll No.-1 to 10

Mathematics is all around us. As we discover more and more about our environment and our surroundings, we see nature can be described mathematically. The beauty of a flower, the majesty of a tree and so on

Make a poster on A-3 sized sheet showing the beauty of Mathematics in nature .

You can draw a scenery showing the mathematical and geometrical patterns in flora-fauna.

~Roll No.-11 to 20

The Pin Code represents a system which divides the country into different regions, so for better communication codes are given to different cities.

Find the Pin Code of Ghaziabad, Lucknow, Delhi, Kanpur and Bareilly.

a) Present the above data in a tabular form.

b) Write the sum of any three Pin codes.

c) Find the difference between the greatest and smallest Pin Code.

Do this on an A4 sheet.

Learn the Pin code of your city.

~RollNo.-21 to 30

Yoga is the best gift to health given by the Indians. The entire world is benefitting from it. Maths plays a vital role in the yoga asanas.

Paste the above-coloured picture of yoga asanas on coloured flash card and find the various types of angles made while doing these yoga asanas.

~RollNo.-31 to 40

Innovating with Geometrical shapes is so much fun. It not only involves playing with our imagination but also recreating things in a meaningful way. Try your hands at recreating some healthy snack that keep us fit and present it using Geometrical shapes. Enjoy this snack with your family and friends!! (Click the picture of the dish you have made and paste it on coloured origami sheets and make a beautiful book of the same)e.g.

RollNo.- 41 and above

Do a simple project on a cardboard by visiting a nearby vegetable market.

a) Identify the vegetables that are bought in terms of grams and kilograms. b) Find in which form is that vegetable grown.

(Root, stem, flower)

c) Write the health benefits of that vegetable.

d) Which season do they belong to ? (Summer or winter)

SCIENCE

1. **RollNo. 1 to 10: COASTER MAKING** - Students will make coasters of any 3 insects, (Useful/ harmful) on cutouts of circle of 5cm radius (from A-4 sized White sheet). Students will draw pictures of insect on the front side and write fascinating facts about it on the back side and get it laminated.

2. **RollNo. 11 to 20: Simple Water Filter** -

Students will make a simple water filter using waste material. Watch the following video to get a reference.

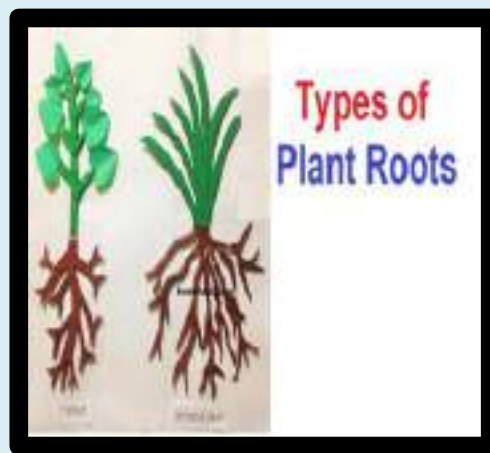

Reference: [How to make a simple water filter project for school - YouTube](#)

3. **RollNo. 21 to 30: Model of Parts of a Plant-**

Reference: <https://www.youtube.com/watch?feature=shared&v=nQKq8CNucXc>

Note: Once completed, cover your activity with the help of a transparent plastic sheet.

4. RollNo. 31 to 40: Types of Roots-

Reference: <https://www.youtube.com/watch?v=zn41LXgRxh4>

Note: Once completed, cover your activity with the help of a transparent plastic sheet.

5. RollNo. 41 to 50: Denture Making Activity (Clay and Penuts)-

Reference: https://www.youtube.com/watch?v=HD_odco88PI

Note: You can use an adhesive to paste peanuts on the clay. Once completed, cover your activity with the help of a transparent plastic sheet.

SOCIAL SCIENCE

Explore internet take out print outs on A 3 size sheet and get it laminated

- Roll no 1 to 3
- 1) Family chart (nuclear and joint)
 - Roll no 4 to 6
- 2) Braille chart , alphabets and number cards wriien in Braille.
 - Roll no 7 to 9
- 3) Festivals celebrated on 14 th January throughout India
 - Roll no 10 to 12
- 4) Waste management
 - Roll no 13 to 15

5) Modern occupations

- Roll no 13 to 15

6) Flags of any 4 countries

- Roll no 16 to 18

Map showing Physical features of India

- Roll no 19 to 21

Map showing political features of India

- Roll no 22 to 24(Get these spiral bound)

cantilever bridge

Cable stayed bridge

Laxman jhula

Hawrah bridge

Arch bridge

Atal setu bridge

- Roll no 25 to 30

prepare 3 D model

Showing plains region of India.

- Roll no 31 to 35

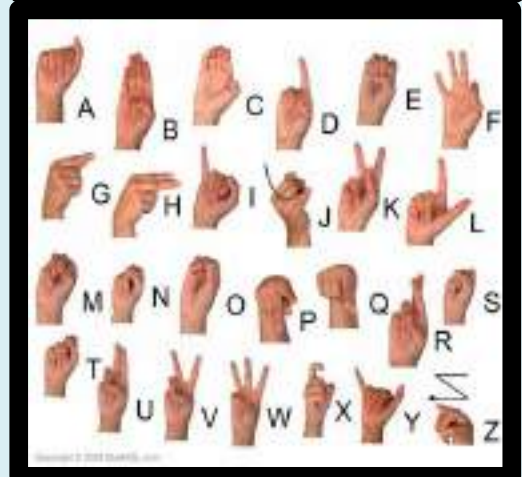

Prepare 3 D model showing mountain region of India

- Roll no 36 to 40

prepare 3D model showing desert region of India

- Roll no 40 onwards

prepare model of any 1 bridge of your choice

COMPUTER

Input and output devices enable users to interact with the central processing unit of a computer.

Create a colorful collage/presentation on various Input / Output Devices in your notebook Use your creativity and take pictures from newspapers, magazines or Internet.

ART AND CRAFT

1. Complete page 21-31 of Step By Step book (Do your pending work as Well)
2. Make a tribal face mask using cardboard and other craft material.
